

**Clarification for using of MMRDA fixed deposits for
Infrastructure projects published in the newspaper of Indian Express.**

Mumbai, September 04, 2020 - 'We are currently not facing any issue with funds. However, we need to keep an eye on the impact of the pandemic on our finances. We are in a position that there is a crunch, we will be able, to use fixed deposits' was the statement of Dr. B. G. Pawar, Jt. Project Director, published on September 04, 2020 in the Mumbai edition of Indian Express, for the news of Shri Neeraj Tiwari for the headline of 'No funds issue right now' and 'MMRDA says will dig into fixed deposits if situation gets worse'.

Dr. B. G. Pawar is holding the post of Jt. Metropolitan Commissioner, MMRDA and has not communicated the quote, 'using MMRDA fixed deposit for Infrastructure projects.'

It is always better to be prudent than inattentive before a word is written and published for the sake of loud and clear dialogue (Ends).
